The Punishment Of My Evil Elites

"The WEF has got to go, My son. It is evil. I will eradicate it from the Earth. Its leaders are evil; they want to destroy the planet. I will eradicate them. I will destroy them all. The evil elite will be destroyed from off the face of the Earth. I will destroy all who want to destroy humanity. They are evil. Expect their elimination. Tell all they will be destroyed. I will depopulate them from off the planet. They have to go. Tell all that they will fail in their attempt to start World War 3; I will destroy them; they have got to go. A blight they are, destroying humanity with evil drugs, vaccines, and all manner of wickedness. Their technology will not go far; I will destroy them. Their AI machines will fail their objectives; all the works of Satan will fail. They give themselves unto the Devil; destroy them I will. Their wealth will fail them in the end, fail to rescue them from the evil calamities coming. The LORD has spoken. Amen and amen. Distribute far and wide."
